Buy a brick Build the sanctuary

Jesus called the 12 disciples into his ministry so that they would assist in spreading the gospel of the Lord. Jesus knew he was the Son of God; he reached out to the disciples because they would be rich resources in his ministry. He knew even when his time on earth would come to an end, his disciples would continue in the great commission.

As GOA, we are pursuing the work Jesus Christ commissioned us to. The spread of the gospel of Christ has reached many communities in our country; spread to the neighboring countries Uganda, Burundi, DRC Congo and soon we want the gospel to reach Ethiopia.

GOA Head Office is strategically located in Nairobi, Kenya. The top priority project is to construct GOA Headquarters Church and Head office. To construct the Sanctuary of God, various fundraising activities are planned to help in meeting the total budget of Kshs 53,000,000 (US \$ 530,000). The GOA Buy a Brick construct the church is one way of us raising the amount. A brick costs Kshs. 100 (US \$ 1). You can buy as many bricks as God blesses you.

To help us Buy the 530,000 bricks we invite you to buy a brick today. Share the message of buying a brick to your networks so that we build a sanctuary to worship in and that will host the GOA head office from where the great commission will continue.

Christmas wish list

Jesus Christ was born in Bethlehem in a manger. Right after his birth, a bright star in the skies shone which led the magi to the place where he was. They presented gifts to a newborn baby boy. The baby boy was Jesus Christ, the Son of God. Jesus Christ grew loving his parents, neighbors and all people. Most of all he loved sinners most. You may ask yourself “why?” because he knew his task was to come and set captives free, those captives of sin. He (Jesus) taught Love as the greatest commandment. Love the needy, poor, orphaned... and the list is endless. Jesus Christ is the perfect example of demonstrating Love.

GOA compassion has eight homes caring for the needy and those children at highest risk within our communities. This christmas put a smile in the face of a child by donating gifts in kind to a child, a home, or to the compassion ministries which will be directed to the homes. That's our christmas wish. Merry Christmas.

GOA IS WISHING YOU
A MERRY CHRISTMAS
&
A HAPPY NEW YEAR
2017

Plan to walk with us to build the sanctuary on March 4, 2017. This will be the second phase of GOA Jenga Kanisa walk. You can mark your calendar and commit to be part of it. It is with this in mind that the above mentioned strategy of a walk falls in order to help mobilize for funds. This will be the second walk event with the first having been held on 28th May 2016 and having raised Ksh 151,000. We hope to raise much more in next year's walk.

You can sponsor the event. For more details call +254 727 407 247 or email us at goa@goaweb.org.
