

JULY 2024

MINISTRY NEWS

GLORY OUTREACH ASSEMBLY

Partnership Impact Newsletter

Our Vision

Fully mature disciples, compassionately pursuing the great commission, demonstrating Godly zeal and transformational leadership, bringing positive change globally

Our Mission Statement

To creatively respond to the great commission, by creating strong Christian fellowships, developing ethical leadership, caring for the vulnerable, mitigating conflict in our communities and improving the social-political-economic status of nations

Our 2024 Theme

The year of Open Doors Isaiah 60:11

Our Core Values

- Integrity/Uadilifu
- Stewardship/Uwakili
- Peace/Amani
- Compassion/Huruma
- Love/Upendo

Our Pillars

- Discipleship
- Compassion and Dignity
- Peace
- Stewardship and Integrity
- Mentorship

Warm greetings from GOA Kenya teams. Through your support to the GOA teams we have been able to reach out to communities and individuals with the Gospel of Jesus. Stories of changed lives and transformed communities and celebration are growing here in Africa all because of your love and generous giving.

GOA Discipleship teams continue to reach to the communities with the Gospel through creative strategies. New congregations have been planted which continue to engage the communities through evangelism and discipleship. Many of these congregations planted in poverty stricken areas are faced with a lot of challenges. Many continue to meet and worship in dilapidated worship structures while some meet under trees and are in dire need of your help to build a decent sanctuary. Through the Support of GOA church development partners ICM, three congregations are about to benefit with a permanent worship sanctuary. There remains close to 10 congregations that are praying and crying for such a gift. Would you love to partner with our teams to bless a community with a worship sanctuary? Please talk to our teams and learn the opportunities that are waiting for you to be a blessing.

GOA Compassion teams are taking care of close to 352 children in the homes. All our children have been well kept by our dedicated teams of caregivers by the Grace of God. All of them are in school and performing well in different areas of both academics and development of Gifts and talents. As they close home for the August Holiday we shall have more time with the m at home to help them grow in different areas and capacities as we nurture their talents and gifts. Through your support they receive well prepared and balanced meals. As the number of the children under our care grows we continue to pray that one day all of them will have a sponsor each to cater for their needs fully. At the same time the GOA compassion ministry director, Esther Muchiri is praying to God for the Gift of a ministry car that will help her reach all these homes to check on the staff and the children for their well-being. With Kes. 2,000,000 we shall gift Mama Esther Muchiri with a better ministry car that will go a long way in helping her serve these children better. Would you love to partner with us to make this dream happen before 7th September 2024?

The GOA Leadership teams have equipped leaders in five Africa Nations in the month. These teams of well selected influential leaders will be key in accelerating the spread of the Gospel around the Nations. While the leaders have joined the teams of History Makers globally, other teams of Pastors and church leaders are being equipped with Theological studies that will enable them teach the word better to equip believers. Rev Phylis the Director of GOA Stewardship teams is also the Pastor GOA Murera, a church that she planted during the Covid Season and nurtured to a mature congregation that is currently impacting Murera community. GOA Murera was built on a very small piece of land that has denied the church space to expand and offer better service to the community. GOA Murera is now raising funds to buy the piece of land that is next to the church premises. Today GOA Murera needs only USD. 10,000 to buy the land. Please partner with GOA Murera with your gift to help buy the piece of land.

EXECUTIVE DIRECTOR'S REPORT

The Country was thrown into turmoil by the young generation popularly known by their generation as the Gen Z. The Nationwide spontaneous protests were sparked by the contentious finance Bill that introduced punitive taxation to the tax regime. Many of the young protestors were fell by the police and other security agencies as they meted excessive force on them to try and suppress the protests to no avail until their demands were partly met by the country's leadership. Many families lost very young productive members during these protests while many were disabled by the brutality of the Government agencies. Our peace teams have worked tirelessly helping these families come to terms with the losses which were too painful to bear. As a result of this turmoil GOA peace team has been incorporated in the National Dialogue team that is charting the way forward for the formulation of government policies that will provide leadership to the Nation. While our teams were out to help the nation get pieced up together more needs in our communities have been growing and the GOA Peace teams have responded to all these in a way of helping raise Godly generation of young people and grow peace. Please pray for our teams.

We are grateful for the support your financial support. Through your generous giving, GOA Teams received a sum of 10.7 Million Kenya Shillings for different Kingdom impact projects. These funds enabled us to keep all our team of 80 staff members in different projects serving with the right motivation and the running ministry projects were running well. We trust God for provision for all other projects that have not been provided for yet.

As we draw towards the month of September we are approaching the time when I will be travelling to the States for my annual Kingdom building trip. There are many opportunities still open on my itinerary which is still work in progress. Please look out for further updates on the itinerary and grab the opportunity that will be closest to you and let me know so that we can plan for our time well. I look forward to meeting you in the States when I come.

Through your support GOA Teams are making great impact here in Africa. Our team has put together these stories for you to be blessed together as we share with you. Please take some time and read these stories, be blessed together and feel free to share with your family and friends.

Bs. David Mungiri Thagana

Presiding Bishop

Discipleship

GOA Discipleship teams have been out pursuing the Great commission, reaching out to the communities with the Gospel. Many people have given their lives to Christ while the GOA congregations are growing both numerically and spiritually. During the month of July our church development partners funded project were in good progress. Three congregations will celebrate the gift of a permanent church soon once the building projects are done. Among our major milestones achieved during the month of July are the reports of success that we have put together in this report.

Rev. Fred Okwomi, Director GOA Discipleship

Empowerment of GOA Regional Teams

The month of July saw our teams empower the GOA Kinangop regional leadership through the ordination of Bishop Stephen Kimiti. With ordination of Bishop Kimiti the region is now empowered to raise resources for the work of ministry and carry out every other function that is a reserve of the office of the Bishop. Bishop Kimiti was the sixth to be ordained this year after the first five Bishops were ordained.

ICM PROJECTS PROGRESS

GOA Ondati (Right) and GOA Kibukwo (Left) are two of the projects that have completed phase 1 of construction

Through the partnership of ICM partners, three projects progressed successfully to the completion of the first phase. The three projects, GOA Siro and Ondati in Migori and GOA Kibukwo in Nandi were all completed successfully. Reports for the same projects have been done successfully as we look

forward to the next wires for the projects to go to the next phases. Reports for 21 ICM projects was also done successfully. The churches are all in good progress. Some however have challenges that we are working together with the Local churches in order to help them grow back to their feet.

REVIVAL OF GOA BUNGOMA REGION

In the month of June GOA Discipleship team actioned the change of leadership in the region of Bungoma. Bishop Christopher Odhiambo of Western Region in Busia was tasked with mentoring the leadership team of Bungoma region to help them grow back to their feet. In the month of July the Team of Pastors held their second Pastors Fellowship in Webuye. Pastors from the region attended the Pastors Fellowship as a result of the change in the leadership the churches have reported a new wave of revival and growth.

Prayer for help for Kisima Church in Samburu

GOA Kisima church as led by Pastor Jackson Leshakwet fellowshiped in a rented premise before being locked out of the business premises. The church has struggled for months meeting under tree in Kisima town before the initiative of building the church began. The semi-permanent worship sanctuary is in progress amidst struggles to raise funds to complete the building. With a gift of Kes. 1500 you can be a blessing to GOA Kisima by buying one iron sheet to roof the remaining gap.

PRIORITIES FOR THE MONTH OF AUGUST

- 1) During the month of August our teams are keen on achieving the top priorities. These include:- Keeping the Spirit of reaching the community with the Gospel through different strategies, these include Open air crusades person to person evangelism among many others.
- 2) We shall also be holding the GOA Children conference in Nairobi that will host all the other GOA teams of Children. We look forward to hosting GOA children at the head quarter church in Nairobi
- 3) The ordination of Bishop Kamau Magi will be held on the 24th August at Wanjohi in Kipipiri

Thank you so much

We are grateful that through your prayers and support our teams have been able to keep moving and impacting the communities with the Gospel of Jesus.

Compassion & Dignity

In the month of July the GOA Compassion and dignity teams were privileged to be the hands and feet of Jesus as they have cared for 354 children in our homes and foster programme. In return our children have had access to a loving family as well as care givers who love them and are committed to service. Despite the difficult times of demonstrations that affected most parts of our country we were all preserved.

Esther Muchiri, Director GOA Compassion and Dignity

Education

Kenya is committed to becoming a newly industrialized nation by 2030 and acknowledges that quality education is vital to achieving this vision.

We acknowledge this fact and we envision our children taking part in the vision, we therefore ensured that all our children were in school in the month of July, they have been dedicated and committed to their studies. Through partnership with

others we were able to meet the needs as they came.

Child Welfare

We have adapted provision of balanced meals, regular exercise, and access to quality healthcare as our best option in remaining in good health.

Farming in our homes.

Different homes were able to utilize the good weather conditions experienced in the month of July, they were able to continue taking care of the crops like kales, cabbages, onions, tomatoes, peas and spinach.

COMPASSION MINISTRY NEEDS A MINISTRY CAR

The job of the compassion director requires routine travels to different homes and projects to ensure that quality and laid down regulations are followed and achieved. In the past few months this routine has been negatively affected by continued break down of the current vehicle that I have used for the last 18 years .My appeal to my friends and partners is to help me raise Ksh 2million for a new car, this way I

will be able to serve with ease and achieve the department goals even as our children thrive.

EXIT FROM THE HOME

It is with a heavy heart that we share the news that two of our children, both from Tumaini children home decided to pursue a different path in life away from what we have been offering them, the two are Joseph Gitau and Dorcas Chebet. Joseph decided not to continue with his trade school, while Dorcas decided not to continue with her high school and got married. Unfortunately , despite our efforts to provide them with guidance and counselling they have decided to exit.

We highly appreciate the support we have received over the years towards the welfare of these two.

Thank you so much

We highly appreciate all the support received with regards to the compassion department. We invite all of us to continue praying for preservation of our children. We continue to thank God for the kids that were added to the department in this month. We invite any and all support towards a compassion car.

In the past few months Kenya experienced heavy floods. The floods negatively affected some of our homes. Strong tower had their out door washrooms flooded to a point of being inhabitable. We are currently constructing a new outdoor washrooms which we envision to be completed mid August, 2024. We wish to appreciate the support received from Switzerland towards the building of these facilities. At Beat the drum we had water running through the dinning hall during the floods, we have since rectified the situation through support received as flood support. Thank you very much

Renewal of home registration

During the month of July we prepared documents as required by law for have renewal of registration for Rehema and Tumaini children home. Kenyan laws stated that renewal be done after every three years which is now due. We worked with Simon Ndirangu on the Rehema issue as we consider him as a social worker to the home. We already have had the children officers visit Rehema home, we are hopeful that the process will be concluded successfully

Conclusion.

I would like to register my appreciation to all the generous donation both international and locally, we were able to provide food, cloth, education, medical care to all our children. Your donation has already made a huge impact. Together the less fortunate continue to thrive through the institution that GOA has established.

Peace

The month of July posed a very challenging experience to the Nation of Kenya. Young protestors poured out into the streets across the Nation in protest of the National Finance Bill that had been passed by the country's National Assembly. The protestors were met by the brutal force of Government agencies that shot and cut short the lives of many of these young people. Many families were left in deep pain as a result of these losses. However this has given GOA Team an opportunity to part of the Multi Sectoral Forum that is spearheading the formation of the National Policies going into the Future and speaking into the leadership of the Na-

nation. Please keep praying for our teams as well as Kenya. *Grace Kariuki, Director GOA Peace*

UNDERSTANDING LGBTQ FORUM

Many young people have been misled on the basic understanding of LGBTQ and related issues. Our teams sought to help the young generation iron out the grey areas and handle the issues with understanding. To help on this topic the forum held on the 16th day of July gave us the platform to address these issues with the help of the professionals from Kenya Christian Professionals Fellowship (KCPF) led by Dr. Ngare. The delegates that attended the forum left empowered with the right information on how to handle these cases in the community.

Thank you so much

Our peace teams take this opportunity to send gratitude to the friends and partners that have continually made our work of reaching communities with the Gospel very possible. Through the initiatives of the GOA Peace teams we continue to realize harmonious communities in which conflicts are solved in a manner that Glorifies God. Thank you so much.

Mental Health

Mental Health Initiatives

The month of July is over, and God has guided us through our objectives this month. This month was characterized with a restoration of calmness in the country as the protests slowed down but also warranted for us to be proactive in our various areas so as to fill the gaps we're skilled at in the society. Guided by our strategic goals, we worked towards achieving them through activities such as capacity building ,counselling ,and utilizing social media to educate the masses .

characterized with a restoration of calmness in the country as the protests slowed down but also warranted for us to be proactive in our various areas so as to fill the gaps we're skilled at in the society. Guided by our strategic goals, we worked towards achieving them through activities such as capacity building ,counselling ,and utilizing social media to educate the masses .

Brian Macharia's Treatment

Brian is one of children brought up at Kieni children's home. Brian finished his Primary school Education and joined GOA High School but did not finish his High School Education. He went away into the streets and became a victim of Drugs. Goa Peace Team together with friends and partners of GOA rescued Brian and took him for treatment at Holy Innocents BPSS where he made good recovery progress. We therefore reunited Brian with his family as we look forward for his after-treatment check-up and reformed life.

Holy Innocents BPSS where he made good recovery progress. We therefore reunited Brian with his family as we look forward for his after-treatment check-up and reformed life.

Thank you so much

Sincere gratitude to Bishop David, colleagues at the Head Office, partners, donors, the GOA fraternity and everyone individuals that helps us achieve our goals by offering a helping hand and opportunities to serve. Together we serve many more and effectively

*Stewardship &
Integrity*

Glory Outreach Assembly (G.O.A) recognizes the importance of training and developing leaders to nurture equitable, just and peaceful communities. Just like Christ calls us to discipleship, GOA works with members to train leaders especially among youthful congregants who will take up the leadership mantle and sustain the future God-fearing and loving communities. In this development pillar of stewardship, we aim at producing leaders who are spiritual in nature, servant in service and transformational in results as they discover, develop and deploy their gifts to help fulfil the great commission.

Rev. Phylis Githaiga—Director GOA Stewardship and Integrity Pillar

History Makers Leadership training

Our teams had the goal to train at least 300 leaders through ILI/HM in the English/ Swahili Africa Region. 375 Leaders were trained this month through ILI Program in five different nations, Kenya, Burundi, Zanzibar South Africa and Zambia

THEOLOGICAL TRAINING AND BIBLE READING CLASSES

May class began on Monday 20th afternoon at 2pm as usual. The class had 27 students a few were absent with apology. They did Christian leadership course with the facilitator being

John Nyaga. After the completion students were given exams as an assignment to do it while at home and bring it for marking in the

next class which will start from 15th of July. The CBR class at the same venue had 9 students diligently following the course and gaining the discipline of reading God's word daily. In GOA Murera, CBR class continues every first Sunday of the month from 2-6p.m.

Syllabus coverage in all our schools is being achieved in good time. Each of the class participated in an academic trip. Form one and two went to Nairobi National Park and Kenya National Museum. Learning area included many subjects; Geography, History, Biology, Chemistry and Business studies, the students gained greatly.

Form three and four students participated in a trip to Nakuru Agriculture show and Trade Fair .They learned a great deal on agricultural machinery, animal and plant production and health. They visited KRA to learn about taxes and public finance, Co-Op Bank for banking and also visited several production processes rich in Business Studies topics. In the Kenya Bureau of Statistics they learnt about population in Geography among other areas.

Symbiosis relationship, a biological aspect can never be learnt better than in the Nairobi National park, between the rhino and the bird.

Schools in the Unreached communities

The month of July had been busy with ball games competition. One of our pupils was selected and represented the school in football from the zone to the county i.e. Jarred Eloiloi grade 6.

Our teachers have been committed on duty enabling the month to go smoothly. The ECDE at Kaapokor is picking up due to our assistance in terms of feeding .

The school was closed on 1.8.2024 and the enrolment on closure at GOA NABWELPUS was at 79 at the end of July .

At Nkirashi school the school was able to put up some temporary staff houses through fund raising.GOA helped in putting up a temporary kitchen. They were cooking from outside

Left: Nabwelpus temporary staff houses Right: current temporary kitchen

Thank you so much

The food we received from the sponsor in the beginning of the term and what we received from the DEO's store made it possible for grades 4_6 pupils to sleep at school which helped the teachers to push up the syllabus. Some food remained and will be used in the beginning of term three .

Mentorship

Sports Ministry

GOA creatively responds to the great commission through sports such as Football, Rollball, volleyball, athletics and floorball. We thank God for the many open doors in the sports ministry even as our teams continued participating in various events and league games

Kenya Floorball Sport is in need

In the year 2015, a team of 11 Swiss coaches travelled to Kenya to introduce floorball. This was through a partnership with floorball4all International through the connection of GOA Switzerland

We are forever grateful for this sport that has impacted thousands of youths in Africa. The sport has helped us transverse Kenya with the good news of Christ with teams in slums, churches, children homes, communities and even schools. We have over 100 teams in Kenya. We have also gone overboard to other African Nations including Tanzania, Burundi, Malawi and Uganda. It has also opened International doors for our youths and leaders in other nations of the world.

There is an active league in Kenya and a national team with our sports coordinator leading the officially registered federation in Kenya. Kenya has since participated in the 2nd and 3rd African cup and has won the bid to host the 4th African cup from 13th to 15th September 2024.

We invite you to support this vibrant team that won the 2nd African cup. The target is 10 nations with 6 nations having confirmed their participation. A proposal with more details is also available with a total budget of Ksh 5 Million

Thank you

We are grateful to the ministry partners that have kept the teams reaching young people through sports evangelism and other activities many individuals' lives are being touched and being transformed by the power of the Gospel of Jesus Christ. There are more opportunities of partnership in the GOA Sports ministry for you to grab.

Youth Mentorship

Post Secondary mentorship

We begin by expressing our deepest gratitude to our partners for their continued support. Your generous contributions have provided school fees, monthly upkeep, laptops, house rent, and other learning materials for 87 students currently enrolled in various colleges. This support is instrumental in equipping these young individuals to change the course of history, regardless of their backgrounds. We are preparing to support 29 students joining college in the September and January intakes. To support one student is only \$250 per month, covering monthly upkeep and school fees. Contributions of learning materials such as laptops are also welcomed.

Training for the youth

We brought together more than 50 students and young people from our churches to educate them on how to respond appropriately to LGBTQ issues as a Christian family. This training is significant for young people, helping them navigate contemporary challenges from a Christian perspective. Our expectations are that as we churn this breed of young people into institutions of Higher education their influence will be felt among the rest of the youthful population and be agents of positive change.

Thank you

We sincerely appreciate your continuous cooperation and assistance. The compassion, mercy, and charity of God are extended to our community via your gifts. We appreciate your cooperation in enabling us to raise and empower the future generation. Thank you so much.

Partnership & Collaboration

GOA Administration department envisions Godly stewardship, accountability management and oversight. The volunteer program falls in this department. GOA volunteer program aims at creating volunteer opportunities for people to utilize their gifts and skills to glorify God and impact lives.

The impact of our Local volunteers

The local volunteer in the different homes have been very helpful in their service we thank God for the good work they have been doing. Ann Waithira volunteering at Tumaini wrote this in her report. *“Am grateful for the chance of working here and hope I give my best, thank you and God bless you.”*

Students Internship

The internship program has been very active this month with four students on internship

- i) Ibrahim Baraka from Kirinyaga University joined us on internship in the communications department. He's been instrumental on the team in managing the cyber business and other media coverage for events in the ministry as well as the church.
- ii) Carol from Kenyatta University has also been doing her internship in the peace area specifically counseling at beat the drum. During her stay she has been able to encourage and build the esteem among the children.
- iii) Moses Nekesa an alumni of Tumaini has been on his internship at the head office in the media team as well. He has also been of great help to the team while he has also gained a lot of experience and exposure.

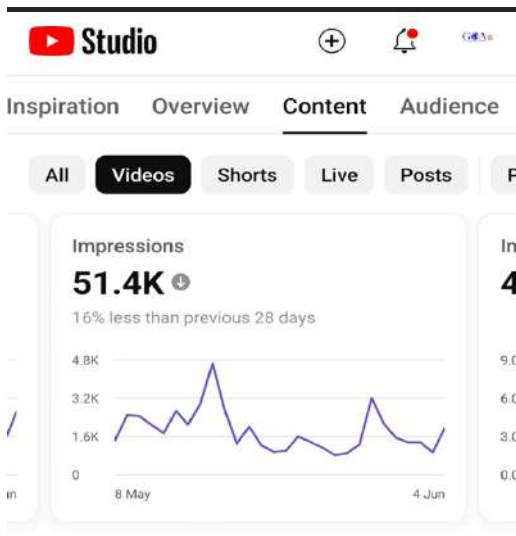

International Internship Opportunities

A lot of preparations have been going on for us to be able to properly host seven students from Switzerland who will be coming for their internship at Tumaini, we have received the students in the course of June and are now at Tumaini for their Internship. We are grateful to all our Interns and volunteers who have chosen to share their time and skill in our different projects as we pray for each of them that their goals will be fully met as they grow in their career lines.

Media & Communication

The month of May, has been heavily invested in making awareness of mental health and mobilizing funds for the victims of floods experienced in different parts of Kenya. Resulting to the content uploaded on our social media platforms, families can now afford meals, shelter, smiles and most importantly an encounter with the Lord. Our major mobilization success stories have come from the victims of the Mai Mahiu flood tragedy, our children homes, the members of Natole village in Turkana among other members of our community that have been supported to piece their lives together.

Our Online presence breakthrough

Through these efforts our social media platforms have been growing with a higher rate compared to other months. @Bishop David Munyiri Thagana YouTube channel (1,640 total subscribers), 296 watch hours and 62 more subscribers in the month of May alone. Many of our teams online have been very instrumental in helping us reach a wider community as we mobilize for resources for the needs of the communities in Kenya.

Partner with us in the opportunities that are open

GOA media team is looking forward to actualizing the dream of starting GOA Production studio for our content and as well as GOA TV for a wide reach as we are guided by GOA Vision of making fully mature disciples of Christ (Mathew 28: 19-20). You're welcome to support GOA media team in realizing this milestone.

Leadership & Admin

Grace Mbugua

Chief Finance Officer

Leadership and Administration teams envision a ministry that operates under effective and efficient management principles, and an organizational structure that serves to ensure accountability at all levels of operations. During the month of July the ministry had a total of 80 members of staff, 35 being in the children homes, 19 at the head office, 23 in the schools, 1 missionary based in Garsen located at the coast of Kenya and 2 staff working GOA Global University. We also have a bigger team of more than 200 pastors who serve in the churches and several local & international volunteers serving in the ministry.

Ministry activities funding

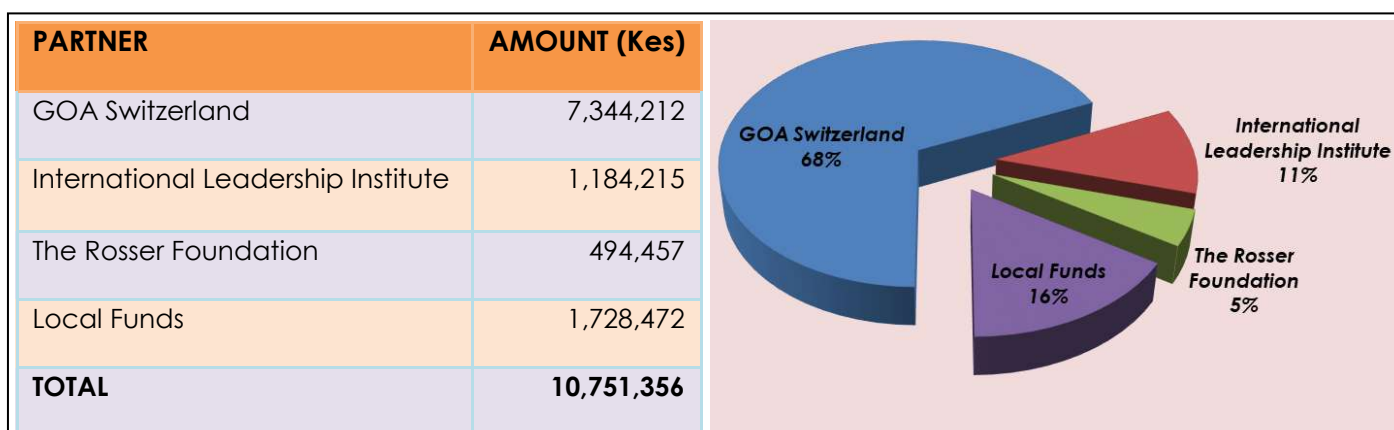

During the month, we received funds for various projects in the ministry. As a result compassion received the highest at the rate of 31.3%, Governance and Leadership at 25.2%, Stewardship & Integrity at 25%, Mentorship at 12.4%, Discipleship at 6%, and Peace at 0.1%.

	GOA Switzerland	International Leadership Institute	The Rosser Foundation	Local funding	Total
Compassion & Dignity	3,368,574	-	-	-	3,368,574
Stewardship & Integrity	139,470	1,005,550	-	1,541,146	2,686,166
Discipleship	104,603	-	420,288	115,326	640,217
Mentorship	1,332,636	-	-	5,000	1,337,636
Peace	13,947	-	-	-	13,947
Governance & Leadership	2,384,982	178,665	74,169	67,000	2,704,816
TOTAL	7,344,212	1,184,215	494,457	1,728,472	10,751,356

Summary of the income for the ministry over the month of July 2024

Funding Sources

We appreciate our partners and friends who supported the ministry continuously as we pursue the great commission. We give all glory to God for the great progress of various projects and great impact in people's lives.

Ministry Partners and their funding for the ministry in July 2024

Ministry Expenditure

The ministry spent **15%** of its total expenditure in capital investments across the projects during the month. The rest were used to meet operating expenses. Below is a tabulation of the overall ministry expenditure during the month.

Pillar	KShs
Discipleship pillar	520,250
Compassion & Dignity pillar	3,782,655
Stewardship & Integrity	1,617,942
Mentorship pillar	1,091,898
Peace Pillar	131,319
Governance & Leadership pillar	3,128,843
Total	10,272,907

Overall ministry expenditure during the month of July 2024

Thank you so much

We thank our partners and friends who have tirelessly supported the ministry. We are so grateful that together we are able to transform the lives of less fortunate and vulnerable groups in our society. Through this support many leaders have been empowered through trainings that not only develop them spiritually as individuals but also those they serve. We thank God for His provision which has enabled us to construct many amenities that are impactful to the society. We look forward to doing more by Gods grace. Together we can walk and work together and achieve more.

For the past three decades, the GOA Ministry has largely depended on the generosity of donors to fund its programs. To mitigate the risks of this dependency, the Ministry has strategically embarked on income-generating ventures to foster sustainability and self-sufficiency. At the children’s homes, initiatives such as crop cultivation and livestock farming have been established. These projects not only provide nutritional support for the orphanages but also equip the children with practical agricultural skills.

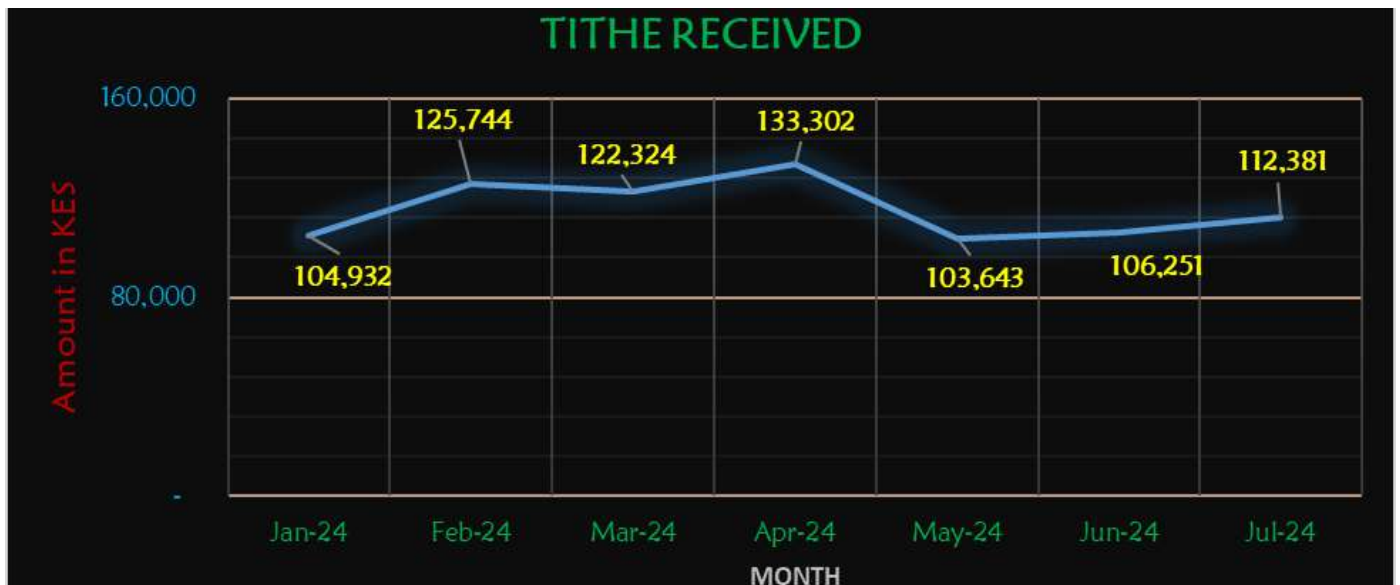

GITHABAI FARM BREAKTHROUGH

During the month of July we completed the completed drilling and operationalizing the Githabai water borehole.

Our next phase will be connecting community members with the water, even as we explore the opportunity of commercializing this water by bottling it to optimize the utility of this borehole. Due to fuel and equipment price fluctuations, there was an increase in the total cost by USD 3,488.

LOCAL FUNDS MOBILIZATION

During the month of May, We received a total of KShs. 100,928/ which is a 24% decrease from the previous month's total of KShs. 133,302/. Our monthly target remains at Kes 150,000 which we are working together with our teams to achieve. Other sustainability projects that are already running at the Head Office are still showing signs of growth. They include the Internet Shop, The restaurant and the Umoja residential house. We pray for better days in our sustainability efforts.

We are excited about our upcoming project, The Umoja House, and are at a crucial stage finalizing the plans and obtaining approvals. Our goal is to begin construction this year and we are trusting in God to provide the resources and guidance needed. To move forward, we are seeking partnerships to help raise \$5,000 necessary for approvals so we can commence construction. The total cost of the project will be \$200,000, and once complete, the apartment complex with 10 units is expected to generate a monthly income of \$2,500. We invite interested partners to join us in this endeavor to create a valuable and impactful Ministry asset.

NAIVASHA BASED GUEST HOUSE

We are initiating a promising project within our ministry and seek your support and partnership.

Phase I of our multiphase project includes, Erecting a perimeter wall around a 2.2-acre property. Constructing a swimming pool with accompanying changing rooms. Landscaping the designated area.

The outcome of Phase I is to create revenue-generating opportunities by leasing the pool, which is in high demand in our region, and utilizing the landscaped area for events like weddings, which are also expected to generate substantial funds. Proceeds from these services will finance the next phase of the project. The budget for Phase I is set

at USD 150,000. Our current financial target is to raise USD 50,000 to fund the construction of the perimeter wall and gate.

We believe this project is a strategic and viable venture that promises Ministry's financial sustainability. To realize this vision, we invite you to join us as a partner in this endeavor. With your support, we can lay the groundwork for a project that serves and uplifts our community for years to come

Thank you so much

Dear partners we take this opportunity to thank you for choosing to be our kingdom partners and we are very grateful to God for you. As we get into the month of June, our prayers are that you will consider supporting the above projects as the Lord may guide you and that together we will make GOA a sustainable ministry.

GOA SACCO

GOA SACCO envisions to empower members economically through saving and from the common pool of savings, they can access affordable credit facilities. It targets members of GOA churches as well as the general public. It is easier when people are empowered through accountability of their financial resources. We continue to seek to grow in a more robust way while making sure our members grow economically and achieve their goals through GOA Sacco.

TRENDS IN MEMBER SAVINGS FOR 7 MONTHS - 2024

LOAN REPAYMENTS FOR THE LAST 7 MONTHS - 2024

INTEREST FROM LOANS FOR THE LAST 7 MONTHS - 2024

SACCO JULY TRENDS

The month of July in the Country was majorly characterized by political unrests. The youthful population led the Nation to rests the country to reject the finance Bill for the year 2024/2025 that had been passed by the parliament. The political instability in the country led to major disruptions in the business landscape in the country that led to suppressed saving power and loan uptake by the members as the risks were too high. SACCO business over the month of July was not very impressive. We are however looking forward to better times in the month of August and September as many business recover from the economic disruption. The total deposits made for savings in the month of July amounted to Ksh 149,076. This was a decrease from Ksh 172,044 in June. However, The amount paid back as loan repayment in the month of July was Ksh 269,663. This was an increase by Ksh 28,470 from June which had loan repayments amounting to Ksh 241,193.

Outlook for August

After constituting the management offices under the guidance from the Ministry of Cooperatives, we finally got the authorization from the government to upgrade our system. We will be implementing phase 1 of the upgrade which is installation and plugging in the upgrade to our current system while ensuring our data is not affected. We also plan to have a Sacco training for the officials in partnership with the Ministry. We hope this will help the management better direct the Sacco towards growth and ensure maximization of value for our members. We appeal to our members to continue being ambassadors by promoting and marketing the Sacco as that would mean increased revenue generation which in turn increases the interest they get and fully utilizing the benefit with numbers.

THE GOA TEAM

Bishop David Munyiri

GOA Executive Director

Rev. Fred Okwomi

Discipleship Director

Mrs. Esther Muchiri

Compassion Director

Rev. Joyce Munyiri

Director GOA Education

Rev. Phylis Githaiga
